

Dallas Parochial League Tennis Tournament 2013

Tournament Rules and Structure:

*** Games times are approximate. 10 minute default rule; if players are not present 10 min. after scheduled game time then they forfeit**

***Each match will be a regular-set (first to win 6 games). If the match gets to 5-5, the winner of the next game will win the match 6-5. This is an adjustment which has been made in an effort to conform to facility and time constraints.**

***Games will be played 15-30-40-Game. No ad scoring.**

***Players must know enough about Tennis to be able to keep their own score. Disputes will be settled with “Rock, Paper, Scissors”, or from a parent spectator that is monitoring the match. Regardless of whether players or parents are keeping score (we prefer players), it is common courtesy to regularly call out the score so that all are of one accord.**

***Winners in each division will receive gold medals. Runner-ups will receive silver medals.**

Player Instructions:

*** Players must report to the site supervisor upon arrival to receive court assignment.**

*** Once both players have checked in, they will wait by the table until a court is available**

***2 tennis balls will be given for each game, which must be returned**

***5 minute warm-up, then begin game.**

***Players must rotate sides of the court as per standard tennis rules (after games, 1,3,5, etc.).**

***Both players must report scores to site supervisor immediately after each match. They will also confirm their next match time.**

***HAVE FUN!!!**
