\* Each match will be a pro-set (first to win 8 games). If the match gets to 7-7, the winner of the next game will win the match 8-7.

\* Players must know enough about tennis to be able to keep their own score. Disputes will be settled with "Rock, Paper, Scissors, or from a designated parent spectator that is keeping track. Regardless of whether players or parents are keeping score (we prefer players), it is common courtesy to regularly call out the score so that all are of one accord.

\* All results should be reported to the tournament director on site immediately after the completion of each match.

\* Players will be guaranteed at least 2 matches. Games will be played using the usual tennis tournament format...ie: play 1st match at scheduled time, then all subsequent matches will be played when a court becomes available. This will help speed up tournament play and will allow the players extra matches.
